

EUROPEAN CHAMPIONSHIP FOR GENTLEMEN DRIVERS Switzerland August 14 – 17, 2017

Hereby, we invite you cordially to participate at the European Championship for Gentlemen drivers 2017, which is organised by the Swiss Federation. On August 16, 2 races each will be held on the racetracks in Avenches (Switzerland) and Divonne-les-Bains (France). We are happy, that we succeeded to convince the regional Amateur federation and the local organising committee in Divonne to take over 2 of our races, although France is presently not member of FEGAT.
